

## BF18 Flexible Copper Braid

By Burndy  
Catalog # BF18

Flexible Copper Braid

### Features

- Most Burndy braid are UL Listed and CSA Certified
- Pressed seamless copper ferrules provide added durability and prevent fraying, providing extra strength for a robust bonding connection
- Braid is especially suited for applications that require flexibility or resistance to vibration
- Extra fine stranding gives enhanced flexibility
- Ferrules clearly marked with Burndy braid type and UL markings (where appropriate)
- Available in custom lengths and hole sizes to suit your needs (contact your local sales representative for non-standard configurations)
- For assistance in finding the perfect braid for your needs click here for our Braid Configurator Tool: [www.hubbell.com/config/BRAID](http://www.hubbell.com/config/BRAID)

### Application

For Use On: Designed to take up linear expansion and contraction, compensate for misalignment and absorb vibratory movement of electrical equipment and devices
