

Features

- Manufactured in type 316 stainless steel to meet any stringent sanitary condition
- Polished with standard “brite”
- Designed for use with stainless rigid, stainless IMC, galvanized and aluminum conduit
- No package quantity required

Applications

Heavy duty type 316 stainless steel one-hole mount straps are great for securing and mounting conduit, tubing and cable in corrosive environments.

Domestic Ordering

Part numbers marked with an * are also available domestically to meet the Made in America standards. To order the domestic version, add -DOM to the end of the part number.

EMT One Hole Strap

Part Number	Trade Size (in)	A (in)	B (in)	C (in)	Bolt Hole Size (in)	Weight per each (in)
