

ARB flexible luminaire hangers

For pendant mount

Cl. I, Div. 2, Groups A, B, C, D

7L

Features:

- Available in two styles – one for direct attachment to GRF cast outlet boxes by four screws, the other for direct attachment to 4" octagonal stamped steel outlet boxes by two screws; for incandescent, HID and fluorescent luminaires
- Both styles available with ball or cushion support for conduit stem to permit luminaire swing in any direction; ball type provides 11° swing, cushion type 8° swing from the perpendicular
- Gasketed cushion hangers for GRF are provided with a durable neoprene diaphragm, which excludes moisture and dirt from both luminaire and conduit system

Standard materials:

- Mounting plate for GRF – Feraloy iron alloy; for 4" outlet boxes – sheet steel
- Hanger body and luminaire stem support – Feraloy iron alloy

Standard finishes:

- Feraloy – electrogalvanized and aluminum acrylic paint
- Sheet steel – electrogalvanized with chromate finish

Size ranges:

- Luminaire stem – 1/2" and 3/4"
- Luminaire weights – cushion type: 4 to 30 lbs.; ball type: 125 lbs. (ARB6 and ARB2 maximum weight 60 lbs.)

For GRF and VXF outlet boxes only
