

Safety Data Sheet

Version Number : 1.00

Issue date : 2015.07.30

Supersedes Date : Initial Issue

1. Identification

1.1 Product identifier

Product Name: PVC Tape (360.360YEL,360ORG,360RED,360BRN,360GRY,360WHT,360BLU,360VLT,360GRN)
Formula) Chemical Family): Pressure Adhesive Tapes

1.2 Supplier'

Manufacturer: L.H. Dottie Company

Address: 6131 Garfield Ave. Commerce, CA 90040

1.3 Emergency & Product Information Phone
323-725-1000

2. Hazard identification

This product is exempt from hazard classification according to OSHA Hazard Communication Standard,29 CFR 1910.1200.

3. Components/information on ingredients

Ingredients	CAS No	% by Wt
Vinyl Tape with Rubber-Based Adhesive	Mixed	100

4. First aid measures

Inhalation:

No need for first aid is anticipated.

Skin Contact:

No need for first aid is anticipated.

Eye Contact:

No need for first aid is anticipated.

If Swallowed:

No need for first aid is anticipated.

5. Fire-fighting measures

In case of fire: Use a carbon dioxide or dry chemical extinguisher to extinguish.

6. Accidental release measures

6.1. Personal precaution, protective equipment and emergency procedures

Not application

6.2. Environmental precaution

Not application

6.3 Methods and material for containment and cleaning up

Not application

7. Handling and storage

7.1 Precautions for safe handling

This product is considered to be an article which does not release or otherwise result in exposure to a hazardous chemical under normal use conditions.

7.2 Precautions for safe storage

No special storage requirements.

8. Exposure controls/personal protection

This product is considered to be an article which does not release or otherwise result in exposure to a hazardous chemical under normal use conditions. No engineering controls or personal protective equipment are necessary.

9. Physical and chemical properties

9.1 Information on basic physical and chemical properties

General Physical Form:	Solid
Special Physical Form:	Roll of Tape
Odor, Color, Grade:	Black Adhesive tape, slight odor
Odor threshold	Not Application
PH	Not Application
Melting point	No Data Available
Boiling point	Not Application
Flash Point	Not Application
Evaporation rate	Not Application
Flammability (solid , gas)	Not Classified
Flammable Limits (LEL)	No Data Available
Flammable Limits (UEL)	No Data Available

Vapor Pressure	Not Application
Vapor Density	Not Application
Density	1.21g/cm ³
Specific Gravity	1.21[Details: Ref Std: Water=1]
Solubility in Water	Nil
Solubility-non- Water	Not Application
Partition coefficient: n-octanol /water	No Data Available
Auto ignition temperature	No Data Available
Decomposition temperature	Not Application
Viscosity	Not Application
Average particle size	No Data Available
Bulk density	No Data Available
Molecular weight	No Data Available
Volatile Organic Compound	No Data Available
Percent volatile	Not Application
Softening point	No Data Available
VOC Less H ₂ O & Exempt Solvents	No Data Available

10. Stability and reactivity

This material is considered to be non reactive under normal use condition.

11. Toxicological information

Inhalation:

No health effects are expected

Skin Contact:

No health effects are expected

Eye Contact:

No health effects are expected

Additional information:

This product, when used under reasonable conditions and accordance with the directions for use, should not present a health hazard. However, use or processing of the product in a manner not in accordance with the product's directions for use may affect the performance of the product and may present potential health and safety hazards.

12. Ecological information

This article is expected to present a low environment risk either because use and disposal are unlikely to result in a significant release of components to the environment or because those components that may be released are expected to have insignificant environment impact.

13. Disposal considerations

Dispose of contents/container in according with the local/ regional / national/ international regulation.

14. Transport information

Precautions to Be Taken In Handling and Storage: Use With Adequate Ventilation, Keep Away From Heat, Sparks, And Open Flame.

15. Regulatory information

No specific regulations

16. Other information
