1250# (POLYARAMID) MEASURING TAPE

Conduit Measuring Tape 1/4 × 3000' (6.4 mm × 914 m)

Cat No: 39243

UPC No: 783310392439

Description

- Pull small cables or install pull rope for large cable pulling jobs
- Made of Polyaramid (equivalent to Kevlar*), will not rotor deteriorate
- Can be left in ducts indefinitely for future use
- Low stretch properties make measurements accurate
- Printed measurements every foot from zero to 3000' (914 m)

Specifications

- Application : For Conduit Measurement
- Length : 3000.000 FT (914.000 M)
- Material : High Strength Polyamide
- Tensile Strength : 1250.000 LB (5.560 KN) Average Breaking Strength
- Weight : 10.500 LB (4.800 KG)
- Width : 1/4 IN (6.400 MM)
