Unavailable

Cat No: 52020875

UPC No: 783310081616

Description

- Designed for crimping a wide range of overhead service entrance connections, overhead splices, and overhead taps
- Easy-to-use MD-6 type "pop" tool, K425 tools are equipped with D³ die groove and either "B" or "O" die groove
- K425K tools are equipped with a die groove for Kearney "O" dies and either a 5/8 IN or "O" die groove
- The D³ die groove serves as a die seat for all Greenlee KD6 and industry "W" type dies
- Bent fiberglass handles provide a solid grip, good leverage and better durability than wood
- Low friction-impregnated bushings at pivot joints provide smooth operation and long life
- Complete crimps are assured with an over-center cam mechanism
- Tool can easily be checked visually for proper adjustment and can be adjusted with Allen wrenches
