

Fittings, Reducing Horizontal Tee (Width 1 > Width 2)

Features

- All fittings have 3" flat sections at the ends to allow space for mounting splices
- For use indoors, outdoors or in harsh environments
- Aluminum Alloy 6063
- Rungs are welded to stringers for strength and continuity
- 9" Rung spacing
- Class 1 Fitting
- Splice plates and hardware included*

HORIZONTAL EXPANDING TEE
W₁ > W₂
