

PVC Coated Elbows

2-1/2X90X36 PVC COATED LARGE RADIUS ELBOW

Catalog Number PRHELB-2-1/2X90X36
UPC 784011202249

Description

Factory-bent PVC coated elbows are more accurate, quicker to install and more economical because they eliminate field bending time and waste of material. Electrical continuity is maintained across assembled joints.

Application

- Factory-bent for accurate, quicker to install and eliminates costly field bending and waste of material

Features

- 40 mil gray PVC exterior coating
- 2 mil red urethane interior coating
- 12 trade sizes from 1/2" through 6"
- Available in standard sizes 90°, 60°, 45°, 30° bends
- Color-coded thread protector caps for quick identification of conduit size
