

### Mark 9 Fittings

## 1 INCH MARK 9 T ALUMINUM CONDUIT BODY

**Catalog Number** PRT39  
**UPC** 784011216659

### Description

PVC coated Mark 9 conduit bodies with covers are offered in numerous configurations to provide a complete coated conduit system. Electrical continuity of the conduit system is maintained across assembled joints.

### Additional Product Description

Conduit bodies connect sections of conduit and provide for access to conductors for maintenance and future system changes. They may be used for pull outlets for conductors being installed or to provide openings for making taps or splices in conductors or to make 90 degree bends.

### Application

- Offered in numerous configurations for 90 degree bends, taps or splices or mounting outlets

### Features

- 40 mil gray PVC exterior coating
- 2 mil red urethane interior coating
- 10 trade sizes from 1/2" through 4"
- Sealing sleeves on all conduit openings
- Cover uses retained stainless screw and wedge clip design
