Wall Pack Cutoff

Product Features

The Wall Pack luminaires are environmentally preferable LED alternatives to traditional HID luminaires, offering up to 77% in energy savings. The housing is a perfect fit for replacing existing traditional luminaires and minimizes light pollution through its cut-off design. The luminaires are available with optional photo control. SYLVANIA luminaires assure optimum light engine performance for extended service and rated life ($\geq 150,000$ hours L_{70}).
